APM2024/3 To receive the Annual Report of the Parish Council:

"Firstly, I would like to thank all of the Parish Councillors and the Parish Clerk for all their help during the past year.

We commemorated the King's coronation by planting a crab apple tree on the village green and we hope that it will be there for many years to come. Flowers were planted around it by some of the local schoolchildren.

The community wildflower meadow is still an ongoing project. The very wet last few months have had an impact on the ground in the meadow, but this will dry out in the summer months. Hopefully we will still be able to see a show of wildflowers there this year.

During the last year the Parish Council has engaged in a number of issues in and around the villages. Finally, the broken bridge over the footpath near the railway line was repaired. There were also the usual problems of potholes, inconsiderate parking, speeding and damage to verges and dog fouling. Litter picking continued in the villages and lanes around.

Many thanks go to all the villagers who gave their time to help throughout the year".
